

**Happy New Year!**

**Logistique enter an action packed New Year**

Logistique have begun 2010 in style by securing a wide number of special events that will keep them busy in their 5<sup>th</sup> year of operation.

The main event that will occupy Logistique's time is the staging of the World Blind Football Championships which will be held in Hereford in August.

Ahead of the big tournament they will be involved in a number of event related projects including organisation of an international governing body site inspection, a referees training seminar, a volunteer induction, a friendly match against Germany and overseeing the draw which will be held in April.

Away from Blind football, Logistique have also been approached by The FA to manage a Partially Sighted Tri Nations tournament in June. This follows the successful staging of similar events in 2005 and 2006.

Once again Logistique will be involved in The FA's Futsal programme with current events on the calendar including the Futsal Youth Festival and the Futsal National Play Offs both to be held in July. On top of this Logistique will play an integral part in the organisation of a Futsal 4 Nations event to be held in Hereford in April featuring the England National team who will play against Malta, Finland and Turkey.

Finally Logistique are in discussions with The FA with regard to The FA UMBRO Fives. After 3 years of acting in a tournament director role it is anticipated that an announcement regarding the future of the Fives will be made soon.

Managing Director, Jon Dutton stated that "We are now entering our fifth year as a company and the events that we have secured, hopefully reflect both our growth and the fact that our clients have consistently offered us repeat work".

"With 2012 just round the corner our aim is to hopefully be involved in the Paralympics - with a full calendar of events for this year then it really is exciting times".
